5. EXECUTIVE DIRECTOR’S REPORT
5.1. Organization Update
5.1.1. Office Space
The Coalition is still looking for lease space in Bay County. The relocation team has visited four locations ranging between 4,500- 1,300 SQ. FT. As we are looking for new lease space, we are considering:

- Square footage to support a primarily remote workforce
- Overall costs (monthly rent, CAM, utilities, etc.)
- Location

The relocation team has asked our IT contractor to perform an onsite visit to one location to conduct a site survey to determine feasibility.

Moving forward, the Executive Director would like to sign any letters of intent to begin negotiating for leased space. If suitable space and terms are negotiated, the Executive Director will bring the proposed lease to the Executive Committee and/or full board for approval on behalf of the relocation team.
5.1.2. Staffing

Sam Sweazy, Finance Director, started full-time with the Coalition on May 4, 2021. He and Michael Hallenstein will be working together during May 2021 to ensure a smooth transition of the Finance Director position.

5.1.3. Legislative Overview

“Governor DeSantis signed House Bill (HB) 419 that makes historic changes to state accountability for early learning programs. Additionally, he signed HB 7011 creating a statewide progress monitoring tool to quickly understand VPK-8th grade student’s academic progress in real-time and rapidly identify personalized interventions for students that need additional support, with the goal of having 90 percent of Florida’s third-graders reading on grade level by 2030.” (Taken from Governor’s Press Release 5.4.2021).

Areas of change include:

- Coordinated Screening and Assessment
- VPK Accountability
- Governance
- Gold Seal Accreditation
- Early Learning Coalition Accountability
- School Readiness Program Changes
- Child Care Resource and Referral- Enhanced Provider Profiles

A document briefly highlighting changes of HB 419 in each of the major areas listed above is provided for member review. More details about the implementation of the bill will be shared as they are made available. (See AELC HB 419 - Overview of Changes)

5.1.4. CARES/CCRSA Funding

As of the writing of this document, we are CURRENTLY scheduled to receive additional funding ($1.8 million for 179 +/- providers) to support private early learning/child care providers and contracted school district providers that were classified as operational/open on April 1, 2021 and are providing onsite early learning/child care services on the date of application, to assist them in remaining open during the COVID-19 crisis. Providers must have remained open and operational, with the exception of temporary closures due to COVID-19 or other temporary emergencies. Some portion of the funds must be used for staff salaries/benefits and must be reflected on the submitted application’s budget. Providers may qualify for Phase V grants, in addition to any grant awarded in Phases I – IV. As soon as funding and guidance are made available, the Coalition will begin accepting applications to receive funding.
