SECTION 1: GENERAL INFORMATION

1.1 Background

The Early Learning Coalition of Northwest Florida, Inc. was organized as a not-for-profit Florida corporation under the laws of the State of Florida on September 26, 2005. The Coalition has been granted an exemption from income taxes under Internal Revenue Code, Section 501(c) (3) as a not-for-profit corporation.

The Coalition is primarily funded by support from federal and state agencies contracted through the Florida Division of Early Learning (hereinafter “DEL”). The Coalition provides a coordinated delivery system of school readiness programs that is designed to fully prepare children to learn upon entering the local kindergarten school systems in its seven-county service area (Bay, Calhoun, Franklin, Gulf, Holmes, Jackson and Washington counties). In addition, part of the Coalition’s mission is to increase the availability, affordability and quality of child care services to children. The children who qualify for these programs are at-risk and/or from low-income families.

The Coalition operates three major programs:

1. Direct Child Care – payments to approved providers for child care.
2. Non-Direct Child Care – directly incurred costs for support of child care services such as eligibility determination, training for providers, and resource and referral services.
3. Quality Initiatives – payments for directly incurred costs designed to enhance experiences for children, staff, or other early childhood professionals.

In addition, the Early Learning Coalition provides training and resources to advance the skills of early care and education providers and staff, enhancing their ability to inspire learning and prepare children for future academic success.

2.5 Rejection of Proposals and Waiver of Minor Irregularities

The Early Learning Coalition reserves the right to reject any or all Proposals received pursuant to the RFP at any time if such action is in the best interest of the Early Learning Coalition as determined in its sole and absolute discretion. The Early Learning Coalition shall have the right, but not the obligation, to waive any minor irregularities in submitted Proposals if doing so would serve the best interests of the Early Learning Coalition, as determined in its sole and absolute discretion. For purposes of this Section 2.5, a minor irregularity shall mean a variation from the RFP terms and conditions that does not affect the price of the Proposal, does not give the Proposer an advantage or benefit not enjoyed by other Proposer(s), and/or does not adversely impact the interest of the Early Learning Coalition.

2.6 Notice of Contract Award

The Contract shall be awarded to the Proposer whose Proposal is determined to be most advantageous to the Early Learning Coalition, taking into consideration price and technical merits.

2.7 Protests and Disputes

Any unsuccessful Proposer who is adversely affected by the Early Learning Coalition's decision concerning a procurement solicitation or contract award under this RFP may protest such decision by filing a protest in compliance with s. 120.57(3), F.S. A Proposer may file a notice of protest in writing within seventy-two (72) hours after the posting of the notice of decision (or intended decision), and may file a formal written protest within ten (10) days after the date the notice of protest is filed as required by s. 120.57(3), F.S. Failure to file a timely notice of protest shall constitute a waiver of the Proposer's rights to any proceedings under Ch. 120, F.S.

Any Proposer desiring to file a formal written protest to this RFP must accompany such protest with a bond payable to the Early Learning Coalition in an amount equal to one percent (1%) of the estimated Contract amount in accordance with s. 287.042(2)(c), F.S. The bond shall be conditioned upon the payment of all costs which may be adjudged against the Proposer in any administrative hearing in which the action is brought and in any subsequent appellate court proceedings. In lieu of a bond, the Early Learning Coalition may accept a cashier's check, official bank check, or a money order in the amount of the bond. Failure to file the proper bond at the time of filing the formal written protest will result in a denial of the protest.

The notice of protest must be submitted to the Early Learning Coalition's Executive Director at 4636 HWY 90, Suite M, Marianna, Florida 32446 in writing within seventy-two (72) hours of the Notification of Intent to Award. The formal written protest must be submitted within ten (10) days after the date the notice of protest is filed and must fully identify the facts resulting in the contested issues. The protest procedure shall be governed by s. 120.57(3), F.S.

2.8 Appeals

1. Unsuccessful Proposers affected by the denial, determination of eligibility, or ineligibility for contract award by the Early Learning Coalition with respect to any federal or state funded program or activity may appeal if the action or decision of the Early Learning Coalition is alleged by the Proposer to be:

- (1) In violation of applicable federal or state law;
- (2) Based upon an error of material and relevant facts; or
- (3) Invalid because of an alleged denial of procedural due process.

- B. Unsuccessful Proposers affected by the denial, determination of eligibility, or ineligibility for contract award by the Early Learning Coalition with respect to any federal or state funded program or activity may not appeal if:

- (1) The Proposer agrees that the procurement process was fair;
- (2) The Proposer's score was acceptable for funding but budget limitations, due to program allocations or the availability of funds, prevented the proposal from being funded;
- (3) No error of material and relevant fact occurred, but the Proposer does not agree that the proposed services failed to satisfy the technical requirements of the competitive procurement process; and/or
- (4) The Proposer was awarded funding, but the Proposer does not agree with the amount awarded.

2.9 Evaluation Process

The Early Learning Coalition shall conduct a comprehensive review of the responses to the solicitation by convening a proposal evaluation committee. The composition of the evaluation committee will depend on the total potential dollar value of the award and whether it is programmatic or administrative as determined by the Early Learning Coalition's Grant Committee.

Responses will be evaluated using the RFP Evaluation Forms, which contains two sections, Initial Screening (**Exhibit 2**), and Quantitative Evaluation Criteria (**Exhibit 3**). The initial screening consists of a series of pass or fail questions that ensure respondents meet certain compliance items. Responses that are incomplete or do not satisfactorily address each and every requirement may be disqualified. The second portion, Quantitative Evaluation Criteria is based on the Minimum Programmatic Requirements set forth in Section 3 below and assigns a

maximum point value to a series of questions that ensure the respondents have satisfactorily addressed each and all requirements. Responses submitted by Proposer must be concise and comply with the RFP page limit requirements of 10 pages. Proposer will be judged based on overall percentage achieved.

The evaluation process is designed to assess the Proposer's ability to meet the Early Learning Coalition requirements and to identify the Proposer likely to satisfy those requirements. The evaluation process will be conducted in a thorough and impartial manner at a proposal evaluation committee meeting held according to Ch. 286, F.S. Proposers are advised to periodically check the Early Learning Coalition website calendar www.elcnwf.org for the scheduled date, time, and location of this session, should changes occur. Proposers should also reference **Appendix "A"**, which contains a list of the currently scheduled events in connection with this RFP.

Subsequent to the end of the evaluation process, the proposal evaluation committee will rate Proposers, who in their judgment, best meet the needs and requirements of the Early Learning Coalition. While price is an important factor in selecting Proposer(s) for an award, other factors in the competitive process will be considered and may take precedence over price. Those factors may include, but are not limited to, the following: quality of service offered, operating characteristics, technical innovations, administrative capability, previous experience in providing the same or similar services, and the ability to achieve the deliverables as specified in Section 3.4.

The Early Learning Coalition's Board of Directors, in their sole discretion, may elect not to award a Contract to any Proposer under this RFP. Proposer(s) may be selected for further evaluation in the context of an oral presentation, in-person interview, conference calls, or a combination of the foregoing. References may be checked and background checks may be performed to verify information submitted in the Proposals.

G. Breach of Security/Confidentiality

As defined in Chapter 282.0041, F.S., "Security Incident" means a violation or imminent threat of violation, whether such violation is accidental or deliberate, of information technology security policies, acceptable use policies, or standard security practices. An imminent threat of violation refers to a situation in which the state agency has a factual basis for believing that a specific incident is about to occur.

As defined in Chapter 501.171, F.S., "Breach of Security" means unauthorized access of data containing personal information. Good faith access of personal information by an employee or agent of the Contractor does not constitute a breach of security, provided that the information is not used for a purpose unrelated to the Contract or subject to further unauthorized use.

As defined in Chapter 282.0041, F.S., "Breach" means a confirmed event that compromises the confidentiality, integrity, or availability of information or data.

1. The Contractor agrees to comply with s. 501.171, F.S. related to the security of confidential personal information and understands that the Contractor for this purpose will be considered a third party agent as referenced in this statutory section.
2. The Contractor shall immediately notify the Coalition and the DEL's Inspector General and Information Security Manager of any Security Incident or Breach of Security of which it becomes aware by its employees, subcontractors, agents or representatives. Notwithstanding requirements of s. 501.171(3), F.S., within 24 hours of the incident the Contractor shall provide written notification to the Coalition and DEL's Inspector General and Information Security Manager that identifies:
 - a. The nature of the unauthorized use of disclosure,
 - b. The confidential information used or disclosed,
 - c. Who made the unauthorized use or received the unauthorized disclosure
 - d. What the Contractor has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and
 - e. What corrective action the Contractor has taken or shall take to prevent future similar unauthorized use or disclosure.
 - f. The Contractor shall provide any additional information, including a full written report, as reasonably requested by the Coalition.
3. If the Coalition, at its sole discretion, determines that the Contractor has failed to comply with any confidentiality provision of this Contract, or determines that prompt and satisfactory corrective action has not occurred, the Coalition has the unilateral right to suspend the Contract until it is satisfied that corrective action has been taken, or terminate the Contract. If this Contract is terminated, the Contractor must immediately surrender to the Coalition all confidential information and copies thereof obtained under the Contract and any other information relevant to the Contract.
4. The Contractor understands and agrees that all reasonable fees and cost necessary for the Coalition to remedy any breach of confidentiality due to the conduct of the Contractor, including its employees, subcontractors, agents, affiliates, or any individual within the control of the Contractor, shall be the responsibility of the Contractor. The Contractor shall cooperate in the defense and settlement of such claims. The obligations of this section shall survive the expiration of this Contract.
5. The Contractor understands and agrees to the confidentiality and security provisions of this Contract regarding the requirements to safeguard the confidentiality of the information which is the subject of the Contract, and which is considered a material condition of the Contract. In the event that requirements to safeguard the information, unauthorized disclosure of the information, or the confidentiality of the information are compromised in any way, the Contractor will be subject to penalties as follows:
 - a. Criminal Penalties: The Contractor including its employees, agents, contractors, subcontractors, affiliates or any individual that breaches the confidentiality requirements of this Contract are subject to any state or federal criminal sanctions provided by law, including, but not limited to penalties as provided for in s. 119.10, F.S., the Florida Computer Crimes Act (s. 815.04, F.S.) or any other applicable state or federal laws or regulations
 - b. Civil Remedies: In addition to criminal sanctions, the Contractor including its employees, agents, contractors, subcontractors, affiliates or any other individual who breaches the confidentiality requirements of this Contract or applicable laws are subject to any and all civil remedies available to the Coalition and the state of Florida.

H. Contingency Statement/Funding Availability/Annual Appropriation

The Coalition's performance and obligation to pay under this Contract is contingent upon an annual appropriation by the Legislature. In the event funds become unavailable, are withdrawn or redirected by federal/state program funders, the Coalition may terminate the Contract upon no less than

twenty-four (24) hours written notice to the Contractor. In the event the Contract is terminated for lack of funding, the Coalition shall pay the Contractor for documented and verifiable costs reasonably incurred to the extent such funds are appropriated and available for the Contract's scoped transaction(s). The Coalition shall be the final authority as to the availability of appropriated funds.

I. Cooperation with Inspector General Investigations

Pursuant to s. 20.055(5), F.S., the Contractor and any subcontractor(s) used to provide the scoped goods/services understand and will comply with their duty to cooperate with the Inspector General in any investigation, audit, inspection, review or hearing. Upon request of the Inspector General or any other authorized State official, the Contractor shall provide any type of information the Inspector General deems relevant to the Contractor's integrity or responsibility. Such information may include, but shall not be limited to, the Contractor's business or financial records, documents, or files of any type or form that refer to or relate to the Contract. The Contractor shall retain such records for five (5) years after the expiration date of the Contract, or the period required by the General Records Schedules maintained by the Florida Department of State (available at:

<http://dos.myflorida.com/library-archives/records-management/general-records-schedules/>), whichever is longer.

The Contractor agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the Contractor's compliance with the terms of this or any other Contract between the Contractor and the Coalition which result in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime, travel and lodging expenses, and expert witness and documentary fees.

J. E-Verify

In accordance with Executive Order 11-116 (applies to contracts of more than \$3,000), the Contractor shall use the U.S. Department of Homeland Security's E-Verify system, <https://www.uscis.gov/e-verify>, to verify the employment eligibility of all new employees hired during the term of the Contract for the services specified. Failure to do so shall be cause for Coalition to unilaterally cancel this Contract. The Contractor shall also include a requirement in related

subcontracts that the subcontractors performing work or providing services to the Contract shall utilize the E-Verify system to verify employment eligibility of all new employees hired by the subcontractor during the Contract term.

The Contractor further agrees to maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the Coalition.

K. Florida Abuse Hotline Reporting

In compliance with s. 39.201, F.S., any employee of the Contractor or its subcontractors shall immediately report such knowledge or suspicion to the Florida Abuse Hotline on the single statewide toll-free telephone number (1-800-96ABUSE) if the employee knows or has reasonable cause to suspect any of the following circumstances:

1. That a child is abused, abandoned, or neglected by a parent, legal custodian, caregiver, or other person responsible for the child's welfare or that a child is in need of supervision and care has no parent, legal custodian, or responsible adult relative immediately known and available to provide supervision and care; or,
2. That a child is abused by an adult other than a parent, legal custodian, caregiver, or other person responsible for the child's welfare; or,
3. That a child is the victim of childhood sexual abuse or the victim of a known or suspected juvenile sexual offender.

L. Force Majeure and Notice of Delay from Force Majeure

Neither Coalition nor the Contractor shall be liable to the other for any delay or failure to perform under the Contract if such delay or failure is neither the fault nor the negligence of the Coalition or the Contractor or their employees or agents. This holds true if the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods or other similar cause wholly beyond the party's control, or for any of the foregoing that affects subcontractors or suppliers if there is no available alternate supply source.

However, in the event of delay from the foregoing causes, the Coalition or the Contractor shall take all reasonable measures to mitigate any and all resulting delays or disruptions in the performance obligation under the Contract. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost to either Coalition or Contractor under the Contract. In the case of any delay the Contractor believes is excusable under this paragraph, the Contractor shall notify the Coalition and describe the cause of the delay or potential delay in writing within 10 calendar days after the cause that creates or will create the delay. The foregoing shall be the Contractor's sole remedy or excuse regarding the delay. The Contractor must provide notice in strict compliance with this section to receive the remedy. The Coalition, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify the Contractor of its decision in writing. The Contractor shall not assert a claim for damages, other than for an extension of time, against Coalition. The Contractor is not entitled to an increase in the Contract price or payment of any kind from the Coalition for direct, indirect, consequential, impact or other costs, expenses or damages. These include, but are not limited to, costs of acceleration or inefficiency due to delay, disruption, interference or hindrance from any cause whatsoever.

If any of the causes this section describes suspended or delayed performance, in whole or in part, after the causes have ceased to exist, the Contractor shall perform at no increased cost, unless Coalition determines, in its sole discretion, that the delay will significantly impair the Contract's value to the Coalition or the state. In which case, the Coalition may do any or all of the following actions:

1. Accept the Contractor's allocated performance or deliveries, provided that the Contractor grants Coalition preferential treatment for products or services subjected to allocation.
2. Purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the products or services the delay affects. The Coalition may deduct the purchases from the Contract funds.
3. Terminate the Contract in whole or in part.

M. Indemnification

The Contractor shall be liable for and indemnify, defend and hold Coalition and all of its officers, directors, agents and employees harmless from all claims, suits, judgments or damages that arise from the Contractor or any of its agents, subcontractors or employees' acts, actions, neglect or omissions during the performance or operations under the Contract or any subsequent modifications thereof. This includes attorney fees and costs. This indemnification holds whether liability is direct or indirect, and whether damage is to any person or tangible or intangible property.

Notwithstanding the foregoing, the indemnification provisions of this section are not applicable to state agencies or subdivisions, as defined under section 768.28, F.S.; or any other Florida statute applicable to sovereign immunity.

N. Insurance and Risk Mitigation

1. Contractor's Insurance: The Contractor shall maintain liability insurance coverage on a comprehensive basis and hold such liability insurance at all times during the existence of the Contract and any renewal(s) or extension(s) of it. By execution of the Contract, the Contractor accepts full responsibility for identifying and determining the type(s) and coverage policy limits of liability insurance necessary to provide reasonable financial protections for the Contractor and the clients to be served under the Contract. The limits of coverage under each policy maintained by the Contractor do not limit the Contractor's liability and obligations under this Contract. A self-insurance program established and operating under the laws of the State of Florida may provide such coverage. The Coalition reserves the right to require additional insurance coverage at its sole discretion.
2. Workers' Compensation Insurance: To the extent required by Chapter 440, F.S.; at its sole expense, the Contractor will either be self-insured for Workers' Compensation claims, or will secure and maintain during the life of this Contract, Workers' Compensation Insurance for all of its employees connected with the work on this Contract, with minimum employers' liability limits of \$100,000 per accident, \$100,000 per person, and \$500,000 policy aggregate. Such policy shall cover all employees engaged in any Contract work.
3. Unemployment Compensation Insurance: During the term of this Contract, the Contractor must comply with the reporting and contribution payments required under Chapter 443, F.S.; for all employees connected with the Scope of Work.
4. General Liability Insurance: By execution of this Contract, unless Contractor is a state agency or subdivision as defined by subsection 768.28(2), F.S.; or unless otherwise provided for in the Scope of Work, Contractor shall provide reasonable and

adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Contract. A self-insurance program established and operating under the laws of the State of Florida may provide such coverage.

5. Errors and Omissions Insurance: The Contractor shall maintain errors and omissions insurance on its board members, as applicable.
6. Fidelity Bonding: The Contractor shall maintain fidelity bonding of its fiscal personnel.
7. During the Contract term, Contractor shall maintain any other types and forms of insurance required for the performance of this Contract as required in the Scope of Work.
8. The Contractor will have and continuously maintain all other types of insurance as required by law.
9. In the event that any coverage described above is canceled by the insurer for any reason, the Contractor shall immediately notify the Coalition of such cancellation and shall obtain replacement coverage acceptable to the Coalition and provide proof of such replacement coverage within the (10) calendar days after the cancellation of coverage.
10. All insurance policies shall be with insurers qualified and doing business in Florida. The Coalition shall be furnished proof of coverage of insurance by standard ACORD form certificates of insurance upon request.

O. Intellectual Property Rights

1. All data Coalition creates or the Contractor receives from the Coalition, whether electronic or hardcopy, during the duration of this Contract is Coalition's property. The Contractor shall surrender it to the Coalition at no cost upon expiration, termination or cancellation of this Contract (see 45 CFR § 75.322, *Intangible property and copyrights*). The following terms and conditions apply to all, unless explicitly waived.
 - a. With respect to all products created by the Contractor pursuant to this agreement, said materials will be the property of the Coalition.
 - b. To the extent that any product constitutes a "work" within the meaning of U.S. copyright laws, 17 United States Code Service (U.S.C.) 101, et seq., it shall be a "work for hire." In the event that a court of competent jurisdiction determines that a product or material is not a work for hire as a matter of law, the Contractor shall assign and convey to Coalition all rights, title and interest in the product or material and require its employees and subcontractors to do the same.
 - c. The Contractor agrees that its employees will not assert any ownership of the product produced pursuant to this Contract. The Contractor shall be responsible for acquiring necessary releases or establishing appropriate contract provisions in its dealings with employees and subcontractors in order to secure Coalition's rights.
 - d. Any claim by the Contractor of ownership of pre-existing copyrights should be explicitly stated in the project documentation.
 - e. The Contractor agrees that if it hires a third party to perform any work pursuant to this Contract, the work shall be on a "work for hire" basis and shall not in any way infringe upon Coalition's ownership of the product.
 - f. The Contractor agrees not to convey any rights in the product to a third party
 - g. If the Contractor hires a third party to perform any work that involves the use of pre-existing intellectual content owned by the third party, the third party shall expressly assert its ownership of the content and shall grant the Contractor and Coalition the non-exclusive license to use the product.
2. A licensing agreement or other agreement regarding the use of intellectual property developed pursuant to this Contract may be developed between Coalition and the Contractor in order to further the use of the products in the educational community.
3. Pursuant to 45 CFR 75 Appendix II, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, the Contractor agrees that to the extent applicable under this Contract to comply with the following:

If any discovery or invention arises or is developed in the course or as a result of work or services performed with funds from the Contract, the Contractor shall refer the discovery or invention to Coalition.

4. Pursuant to s. 286.021, F.S., if the discovery or invention arises or is developed regarding the use of state funds, Coalition will refer it to the Department of State to determine whether patent protection will be sought in the name of the state of Florida. Any and all patent rights accruing under or in connection with the performance of the Contract are hereby reserved to the state of Florida.
5. Pursuant to s. 286.021, F.S., and subject to claims of the Health and Human Services (HHS), any and all copyrights accruing or in connection with the Contractor's execution of its duties under the Contract, funded by early learning program funds, are hereby reserved to the state of Florida.
6. Pursuant to 45 CFR § 75.322, the HHS reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for Federal Government purposes the copyright in any work developed with federal funds through the Contract and any rights of copyright which the Contractor or its sub grantees or contractors purchase with such federal funds.
7. Pursuant to federal and state laws, the Contractor will not violate the copyrights of any third party during the performance of the scope of work for this grant award.

The Contractor further warrants that as to each deliverable produced pursuant to this Contract, Contractor's production of the deliverable(s), and the Coalition's use of the deliverables(s), will not infringe on the copyrights of any third party. This provision applies to each work or authorship in which copyrights subsist pursuant to 17 U.S.C. Sections 102-105 and to each exclusive right established in 17 U.S.C. Section 106. In furtherance of this provision the Contractor additionally warrants the following:

- a. As to each work of software or other "information technology," as defined in s. 287.012(15), F.S., in which copyrights subsist, the Contractor has acquired the rights by conveyance or license to any third party software or other information technology, which was used to produce the deliverable(s).
- b. As to each image and sound recording incorporated into a deliverable, the Contractor has required the necessary rights, releases, and waivers from the person whose image or sound included, or from the holder of the copyrights subsisting in the literary, musical, dramatic, pantomime, choreographic, pictorial, graphic sculptural, motion pictures, audiovisual work or sound recording from which the included image or sound recording was taken.

DEL is required to review and consider any publicly available information about the Coalition in the Federal Awardee Performance and Integrity Information System (FAPIS) <https://fapiis.gov>.

Q. Notification of Legal Action

The Contractor shall notify the Coalition of legal actions taken against it or potential actions such as lawsuits related to services provided through this Contract, that may impact the Contractor's ability to deliver the contractual services or that may adversely impact the Coalition. The Contractor shall notify Coalition in writing within 24 continuous hours of becoming aware of such actions or from the day of the legal filing, whichever comes first.

Key personnel positions include the owner, executive director, and lead personnel directly assigned to work on this Contract. Changes in key personnel may include, but are not limited to, resignations and other employment terminations, and approved leaves of absence of six (6) weeks or longer. Such notification shall be in writing and shall include information related to assigned replacement staff.

S. Prohibited Lobbying Costs
