CLASS Group Coaching (MMCI)

Teachstone has changed the name of Making the Most of Classroom Interactions (MMCI) to CLASS Group Coaching. The content is the same and will still help teachers improve the quality of their interactions.

Research from Teachstone shows that the CLASS Group Coaching training is one of the best ways teachers can improve their classroom scores. This will help improve the program composite score.

CLASS Group Coaching training will be provided for teachers and directors throughout the fiscal year 2022-2023, is a commitment of 2-hours per week and will last for 12-weeks.

Please email the [Redline](#) if you have teachers who would like to participate.

CLASS 101 Opportunity

Are you due for your CLASS observation?

CLASS 101 can be offered in a virtual format or in-person. The training is approximately two hours long and will give an overview of what your CLASS observer will be looking for.

Adjustments have been made to the CLASS 101 training from previous years and participants will be shown a short video on each dimension within each age group.

Virtual Training Opportunity

CHILD CARE FUNDING GUIDE FOR FEMA ASSISTANCE

In partnership with Save the Children U.S., ELCNWF is excited to share an emergency preparedness virtual training opportunity. This 1-hour virtual training on the Child Care Funding Guide for FEMA Assistance provides a simple road map to assist child care business owners in navigating the Federal Emergency Management Agency (FEMA) and Small Business Administration (SBA) application processes before and after a natural disaster is declared.

If you are interested in attending a virtual training on this topic from an ELCNWF trained staff, please email the Redline at redline@elcnwf.org.

Child Services

We Need Your Help:

The Child Services Team is looking for feedback for the Helping and Healing Library distributed last year to Providers. The Helping and Healing Library was the collection of books specifically chosen to address difficult life experiences that our children may go through.

If you have feedback that you can share with the Coalition, please email redline@elcnwf.org
