2024 Summer Program Guide

Introduction

Welcome to the Summer Program Guide by the Early Learning Coalition of Northwest Florida (ELCNWF)! We searched high and low to compile this resource, designed to help families in our community discover an array of enriching summer activities for children of all ages. This guide offers detailed information on various programs, from educational camps and sports clinics to arts workshops and outdoor adventures. Our goal is to ensure that every child has access to opportunities that promote learning, growth, and fun during the summer months. Whether you're looking for a full-day camp or a specialized program, you'll find valuable options that cater to diverse interests and needs.

Disclaimer

The Early Learning Coalition of Northwest Florida (ELCNWF) provides this Summer Program Guide as a service to the community. While we strive to include accurate and up-to-date information, we do not endorse any particular program or guarantee the quality of services provided. Families are encouraged to research and contact program providers directly to verify details, availability, and suitability for their children. Participation in any program listed is at the discretion of the family.

ST. JOSEPH BAY: BY LAND & SEA

The University of Florida/IFAS Extension faculty are reintroducing their acclaimed "Panhandle Outdoors LIVE!" series on St. Joseph Bay. This ecosystem is home to some of the richest concentrations of flora and fauna on the Northern Gulf Coast. This area supports an amazing diversity of fish, aquatic invertebrates, turtles and other species of the marsh and pine flatwoods. Learn about the important roles of ecosystem!
